

Emerging Technologies Leadership Forum

Event Partnership Opportunities

June 26 - 27, 2020
Anaheim, California

The State Educational Technology Director's Association (SETDA) connects your organization with 230 state level education leaders from all 50 states and 3 U.S. territories.

We secure strategic partnerships with organizations that align with our mission, priorities, and advocacy goals. See SETDA's Strategic Plan for 2017–2020 [here](#).

Trusted relationships with SETDA members give us the very best information on trends and opportunities in each state they represent.

–Patrick Leonard,
COO MIDAS Education

What is the Emerging Technologies Forum?

The Emerging Technologies Leadership Forum provides an opportunity for your organization to engage with SETDA's state members and affiliates in activities and meaningful dialogues about topics in education, new technologies, and digital learning.

At the Emerging Technologies Leadership Forum, SETDA welcomes event partners to showcase innovative products and services that will help meet the needs of our state members and the schools and districts they serve.

...most notably, we've found the focus groups tremendously insightful. The candid feedback we gain from these discussions with state ed tech leaders plays a continuous role in shaping the development of new BrainPOP features, bolstering our efforts to meet the needs of teachers and students across the country.

–Kari Stubbs, Ph.D, Vice President,
Learning and Innovation, Brain POP

Speed Meeting Partner

Since Speed Meetings started, I have had more success in engaging my schools in new products I hear of and quickly establishing relationships with the representatives from those corporate partners.

—Peter Drescher, Education Technology Coordinator at the Vermont Agency of Education

Description: Speed meeting partners have a unique opportunity to accomplish a significant amount of targeted marketing to a large number of states in a small amount of time. Speed meetings are a perfect platform for your organization when you have a timely and important initiative to share, when you are looking to create awareness about a service or product, or when you want to demo a new solution. A state leader will be assigned to you, and will serve as a mentor to help you prepare for the Speed Meeting session. Your organization will present to small groups of state members on a rotating basis. For each rotation, you will have seven minutes to demo, present, and discuss your product or service followed by three minutes of Q&A. At the conclusion of the 1 hour speed meeting session, you will have presented to a representative from each state in attendance at this event.

Cost: \$5,000

Two representatives from your organization will have the opportunity to:

- Conduct a series of 5 consecutive roundtable presentations to leaders from every state in attendance at the event
- Host a table-top exhibit at the Educational Technology Showcase & Reception (approximately 2 hours)
- Distribute optional handouts or printed collateral at both the Speed Meeting sessions and the Educational Technology Showcase & Reception
- Access the full event registration list for individual outreach
- Include your organization's contact information, logo, and branding on:
 - ✓ Event Program
 - ✓ Setda.org Event Partners Page
 - ✓ Event signage
 - ✓ "Thank you to our Event Partners" scrolling PowerPoint slides
 - ✓ Social media campaign
 - ✓ Event app
